

## PUBLIC NOTICE

The Government of Papua New Guinea is formulating a National Cybersecurity Policy and Strategy for the country.

As part of the effort to develop the Policy and Strategy, we invite ICT service providers, users of ICT services and the general public to provide feedback on matters that will be covered under the National Cybersecurity Policy and Strategy through a survey questionnaire.

The survey questionnaire can be accessed online from NICTA's website at [www.nicta.gov.pg](http://www.nicta.gov.pg) or collected at the NICTA Head office, now temporarily located on Level 4, Savannah Heights (opposite Vision City, between City Hall and Waigani Village) along Waigani Drive.

Your feedback will assist to ensure an effective Cybersecurity Policy and Strategy for the country. The survey closes on 1st September 2017.

Completed survey questionnaires can be submitted online or hand delivered or posted to –
