

National Information and Communications Technology Authority

PUBLIC NOTICE

Retail Service Determination

Stakeholders in the ICT industry and interested parties are hereby advised that NICTA has on Thursday, July 26, 2018 made a recommendation to the Minister for Communications, Information Technology and Energy, Hon. Sam Basil, to consider subjecting mobile telecommunications services provided by Digicel (PNG) Ltd to a Retail Service Determination.

This follows the completion of a Public Inquiry by NICTA in accordance with the National Information and Communication Technology Act 2009. The inquiry into Digicel's mobile telecommunications services commenced on November 21, 2017.

NICTA acknowledges the written submissions made by the stakeholders and interested parties.
