

*"It is more than a scholarship, it has opened many doors for me. The NICTA GICT Tertiary Scholarship has been life changing for me and I am always proud of my journey. After completing my studies at the University of Technology last year, opportunities have been endless. After I complete my research here at Osaka University in Japan I will be doing my Masters in Software Engineering at the Nara Institute of Science and Technology"*

Adrianna Marpena is currently doing research at the Osaka University in Japan, GICT Scholar 2020-2023

# NICTA

## GICT Tertiary Scholarship

*"I have so much gratitude for NICTA, for sponsoring four years of my study at the Divine Word University. So, throughout the four years, NICTA's support has been a big relief for me. The scholarship has instilled discipline in me, especially when in school, we have to maintain high GPA / marks in order to keep our scholarship"*

**Laeitia Gareitz - BA in Maths & Computer Science - DWU Graduate 2023**

*A decade of empowering young Papua New Guineans through our flagship scholarship program*

"I am honored to be awarded this scholarship. The scholarship has not only provided financial support but has inspired me to pursue my passion in ICT with confidence and determination."

Being a beneficiary of this scholarship, it has truly empowered me to aim higher and also believe that I can contribute to the ICT sector"

Rallyanne Salo- 2<sup>nd</sup> year Mathematics & Computer Science - DWU

*"From the bottom of my heart, I would like to thank NICTA. I am really thankful for this scholarship. I believe in my heart that this program has touched many lives and helped a lot of parents. NICTA paid my daughter's fees for the last 4 years and I will be forever grateful"*
