## National Information and Communications Technology Authority

### PUBLIC NOTICE

#### **Extension on deadline for Written Submissions on Draft Spectrum Outlook and Roadmap 2025 to 2030**

The National Information Communication Technology Authority (NICTA) wishes to inform all interested parties of an extension to deadline for written submissions on **the Draft Spectrum Outlook and Roadmap 2025 to 2030 Consultation Paper**.

The Spectrum Outlook and Roadmap is a strategic plan that outlines how NICTA will allocate, assign and manage the radiofrequency spectrum over the period 2025-2030 period. It is intended to provide information to commercial operators and stakeholders of NICTA's planned activities to meet expected demand for telecommunication, broadcasting and mobile services, license-exempt applications, satellite, transport and other radiocommunications services generally in the next five years. It also outlines NICTA's draft schedule work plan and priorities in spectrum planning and management for short, medium and long term to address issues related to spectrum access and efforts to maximise the use of this limited resource.

This extension is provided to ensure all interested parties have sufficient time for written submissions.

New closing date for written comments is close of business **Monday, 21st July 2025**.

Copies of the Consultation Paper can be obtained from the NICTA Head Office located on Frangipani Street, Hohola Port Moresby, regional offices in Lae, Kokopo and Mt Hagen or downloaded from the NICTA website - [www.nicta.gov.pg](http://www.nicta.gov.pg)

'Guidelines on the submission of written comments to public consultations and public inquiries', to NICTA are also available at NICTA's Public Register at [www.nicta.gov.pg](http://www.nicta.gov.pg).

For further information, contact Mr. Steven Anda, Manager Resources Planning on telephone 3033200 or email: [sanda@nicta.gov.pg](mailto:sanda@nicta.gov.pg)
