PUBLIC CONSULTATION NOTICE

Call for Comments on

1. Draft Guideline on the operation of WAS/RLAN in the 6GHz Band
2. Low Interference Potential Devices (LIPD) or Short Range Devices (SRD) Minimum Requirements

In accordance with sections 219 and 229 of the National Information and Communications Technology Act, 2009 ("the Act"), NICTA hereby gives this notice to conduct a public consultation on the following draft documents;

- **Draft Guideline on the operation of WAS/RLAN in the 6GHz band;**
- **Radiocommunications (Low Interference Potential Devices) Class Licence 2026**

The Draft Guideline on the operation of WAS/RLAN in the 6GHz band provides the 6GHz Channel plan for operation of WAS/RLAN service including current band usage.

The Radiocommunications (Low Interference Potential Devices) Class Licence 2026 revokes the 2016 version and proposes inclusion of frequency band 5925 – 6425 MHz for Radio Local Area Network transmitters (Low Power RLAN (Wi-Fi 6E/7)).

Copies of the draft documents can be obtained from the NICTA Head Office located at Section 43, Lot 19 & 20, Frangipani Street, Hohola, Port Moresby and regional office in Lae or downloaded from the NICTA website - www.nicta.gov.pg

NICTA invites stakeholders and interested parties to consider and comment on the consultation documents. All written submissions on the consultation documents should be emailed to: spectrum@nicta.gov.pg or hand delivered to NICTA Head Office by close of business **10th July 2026**.

Copies of all submissions received will be published on NICTA's Public Register consistent with the requirements of NICTA as prescribed under subsection 229 (3) of the Act.

Additional procedural information on submissions to NICTA is set out in the 'guidelines on the submission of written comments to public consultations and public inquiries', which are also available at NICTA's Public Register.

For further information, contact Acting Director of Engineering and Resource Planning on telephone **3033210** or email: sanda@nicta.gov.pg
